

# Munster High School

## Summer Reading Policy 2018

**Purpose:** The summer reading program at Munster High School meets the Indiana State Academic Standards for critical reading. Through summer reading, students improve their ability to read and comprehend complex texts independently and proficiently.

### General Requirements:

---

-  All English students enrolled for the 2018-2019 school year will read two (2) summer reading books.
  - o All students enrolled in English 9i, English 9, English 10i, English 10, English 11B, English 11, English 12B, English Literature, or Composition will choose 2 books to read from lists assigned to each class. Students in non-honors/AP classes may choose texts from the honors/AP lists within the same grade level.
  - o All students enrolled in Honors English 9, Honors English 10, AP English Literature & Composition, and AP English Language & Composition will read ONE required book. That title has been selected by the department and will not change.
  - o Honors English 9, Honors English 10, AP English Literature & Composition and AP English Language & Composition students will read ONE book of choice in addition to the required book (for a total of 2 books).
-  Both summer reading test scores will be averaged together. The averaged score will count as ten percent (10%) of the first quarter's grade. Both tests weigh equally in the computation of the grade.
-  There will be no summer test dates. All tests MUST be taken on the assigned dates at the start of the school year.
  - o All students enrolled in English 9i, English 9, English 10i, English 10, English 11B, English 11, English 12B, English Literature, or Composition will take one test on Tuesday, August 28, 2018, and the second test on Thursday, August 30, 2018. There will be two different forms of tests: a "Tuesday" version and a "Thursday" version.
  - o For Honors English 9, Honors English 10, and AP English students, the required book test date is Tuesday, August 28, 2018.
  - o For Honors English 9, Honors English 10, and AP English students, the second book test date will be Thursday, August 30, 2018.
  - o All summer reading tests will consist of objective selected response questions, and each student's English teacher will administer all tests.
  - o If for any reason a student is absent during summer reading testing, he/she will take an alternate test. Students should contact their English teachers to make arrangements.
  - o If a student does not make arrangements with his/her teacher, that student will receive a zero (0%) for any missing tests.
-  The completion of this testing is the responsibility of each student.
  - o All non-AP English seniors will be scheduled in Composition first semester. Therefore, all seniors will take the summer reading tests on Tuesday, August 28<sup>th</sup>, and Thursday, August 30<sup>th</sup>. The test scores will be included and count in the first quarter Composition grade. Students graduating early will take English Literature and Composition in the fall. The summer reading test scores will count ONLY in the Composition grade.
  - o Summer reading tests may only be taken during the required testing period. Students may NOT take tests earlier than the prescribed dates.

### Specific Rules:

---

1. Students who have attended Munster Schools for all or part of the previous school year are responsible for reading the requisite number of books.
2. If a student who has not attended Munster Schools the previous year enrolls in the district in June, that student must follow the summer reading policy. However, a student who enrolls in July will receive a waiver for ONE book. A student who enrolls in August will be waived from BOTH books EXCEPT for AP and Honors English students. AP and Honors English students enrolled after June must read the required text for that class.
  - a. If a student enrolls in June: Read both books.
  - b. If a student enrolls in July: Read ONE book only (AP and honors students are required to read the required text.)
  - c. If a student enrolls in August: Both books waived EXCEPT in AP and Honors English: The student must read the required text.
  - d. Students who are waived from one or both books will receive an exemption in the grade book.
3. Expulsion does not exempt students from the reading tests. The tests must be taken within the first week of the student's return to school. Students returning from an expulsion/suspension will take an alternate test form for any missing summer reading tests.
4. Students who add, drop or switch courses PRIOR to the first day of the school year must read and test from the summer reading list for the class in which they will begin the school year. Students adding AP English must follow the reading list and policy outlined above.
5. Students who add, drop, or switch courses WITHIN THE DROP-ADD PERIOD at the beginning of the first semester may test from the summer reading list for the class in which they began the school year, EXCEPT AP English. All AP English students must read from the AP reading list.
6. Students retaking English 9, 10, or 11 only need to read the books required for their primary English class (in other words, they do not have to double the number of books to read). However, seniors retaking Composition in the spring will receive their original summer reading test scores from the fall. Failure of Composition in the fall semester does NOT exempt students from the summer reading test scores' counting toward their grade in the spring semester.
7. Students from surrounding schools (including private) who have received the summer reading policy will follow rules for School Town of Munster students.
8. Students may be required to show a school or equivalent picture ID before taking the tests.
9. If you have any questions, please email English Department Chair, Tammy Daugherty: [tldaugherty@munster.us](mailto:tldaugherty@munster.us).
