A MESSAGE FROM PTO

At our February meeting on Wednesday, February 4, we had a panel of seniors discuss their experience with the college application process. They provided a completely different perspective from the programs they selected. Our February meeting with the seniors and the upcoming March meeting with Excel Edge, will give parents and students much needed information about the college application process.

Thank you to Kayla Bales, Ryan Kritzer, Adam Kulam, and Nicki Smith for giving up an evening of their time to provide a student's point of view regarding the application process. They shared information about in state, out of state, selective schools, scholarships, sports in college, early decision/early action, college visits and a number of other personal experiences they had during their college search.

For our March meeting, please join us at 7:00 p.m. After a brief business meeting we will have a presentation by Casey Tebo, Associate Director of ExcelEdge. Casey will discuss standardized exams -- PSAT, SAT and ACT --which MHS students will take as sophomores and juniors. He will highlight upcoming revisions to the PSAT and SAT that will debut in 2015 and 2016. Casey also will recommend a timetable for testing and preparing for the exams. A question and answer session will follow the presentation. Students are invited to attend this meeting. We hope to see you there!

Reality Store is just around the corner- Wednesday, April 8 to be exact. Please contact Debby Flahaven at 838-7638, or email at queendlcf@aol.com if you can help that day. Freshmen parents will be especially impressed with this dose of future reality that their children receive. Many parents volunteer year after year because they are impressed with the program and they enjoy the day.
