A MESSAGE FROM PTO

At our February meeting on Wednesday, February 3, we had a panel of seniors discuss their experience with the college application process. They provided a completely different perspective of the application process from the programs they selected. Thank you to Meena Kandallu, Harsh Jhavari, Dara Medina, and Luke Hackett for giving up an evening of their time to provide a student's point of view regarding the application process. They shared information about in state, out of state, selective schools, scholarships, sports in college, early decision/early action, college visits and a number of other personal experiences they had during their college search.

For our March 2 meeting, please join us at 7:00 p.m. Information regarding the guest speaker at that meeting will be available soon.

Reality Store is just around the corner (Wednesday, April 13, to be exact). We announced last year that it would be the last Reality Store at MHS since it was being moved to WWMS. However, this year's freshmen would have missed out on this valuable experience, so we are doing Reality Store one more year at MHS. There will also be a Reality Store at WWMS in May for eighth graders, and that will be an ongoing project at the middle school. As always we need many volunteers. Please contact Debby Flahaven at 838-7638 or email at queendlcf@aol.com if you can help that day. Freshmen parents will be especially impressed with this dose of future reality that their children receive. Many parents volunteer year after year because they are impressed with the program and they enjoy the day.

GUIDANCE

SCHEDULING

By the end of March, all students will have met with their counselor to request classes for the 2016-2017 school year. Changes to requests can be made through Friday, March 18, 2016. Please remember that students/parents may not ask for specific teachers, specific lunch periods, or to have classes during certain times of the day. Due to possible scheduling conflicts, students are encouraged to select alternate elective courses in addition to the courses chosen for the regular school year.

Summer school registration will begin on Tuesday, March 29th and end on Monday, April 25th.

21st Century Scholars

There will be a mandatory meeting held for 9-12th grade students enrolled in the 21st Century Scholars program during 1st period in the Resource Room on March 16th.

COLLEGE ENTRANCE TESTS

Munster High School will offer the ACT college entrance test on Saturday, April 9th. The registration deadline for this exam is Friday, March 4th. Students must upload a recent photo and be prepared to pay online. Go to www.actstudent.org to create an account and register.

The SAT college entrance test will be offered on two separate dates. The first offering is Saturday, March 5th and the second date is Saturday, May 7th, with a

registration deadline of Friday, April 8th. Go to www.sat.collegeboard.com to create an account and register. A photo is also required for the SAT, along with online payment.

WORLD LANGUAGES

The MHS World Languages Department would like congratulate the following students for being recognized by the Indiana University Honors Program in Foreign Language Study. Students must be in at least level of their language to apply and have good grades, excellent recommendations and be willing to give up English, family and the United States for one summer. In exchange, a language student is placed with a host family, attends daily language classes, goes on group excursions and experiences life in a foreign country as would a normal teenager in that country. Students typically return with a high level of both spoken and cultural fluency and eventually test out of most of their college language requirement.

These students were selected to study abroad this summer for seven weeks based on their score on a college-level placement exams in either French or Spanish, a lengthy application process and-for some- an interview in the target language. Candidates interviewing this week will find out later this spring about their final status. *Congratulations to all of these students* for their excellence and perseverance in this highly competitive process: ***Buen viaje/Bon voyage!***
