Located in northwest Indiana, not far from Chicago’s Loop, the town of Munster offers a cosmopolitan, suburban lifestyle. With its outstanding schools and park district, the town lures families whose parents work in Chicago, choosing to commute in order to raise their children in a community that Chicago Magazine described as “one of those special places … it offers first class education, culture, shopping, healthcare, transportation, parks and recreation.”

GRADE POINT AVERAGE

GPA is determined at the end of each semester using the final semester grade from each class. Grade points for regular and basic courses are awarded on a 4-point scale. Grade points for AP, Honors, and Advanced courses are awarded on a 5-point scale. GPA is calculated by dividing the total grade points by all credits attempted. Munster High School does not report class rank.
